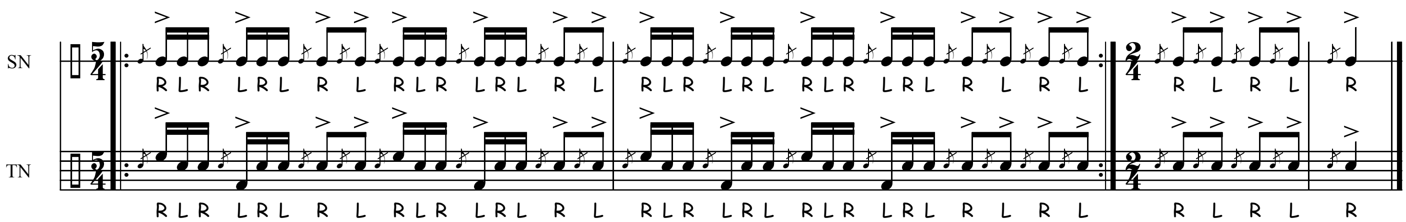
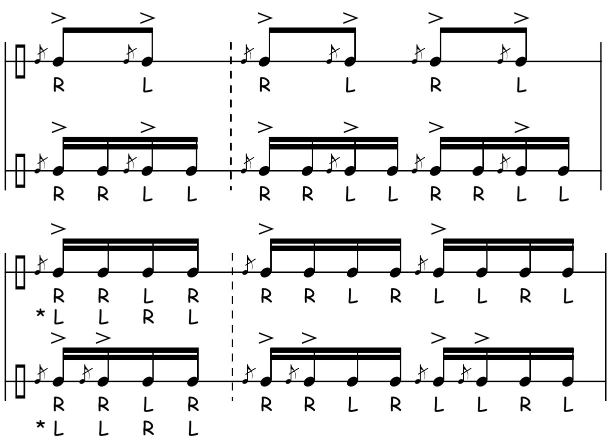
5/4 Flams

by James Voss Grumish
for FreeDrum.Info

BASIC RHYTHM



The following can be inserted into the Basic Rhythm by replacing the consecutive eighth-note flams that appear in the original.



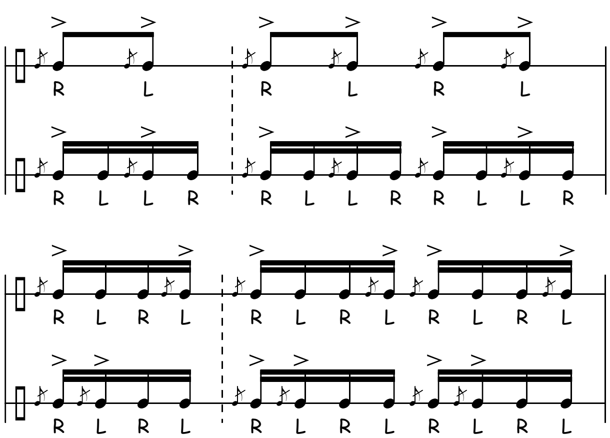
(original)

Flam Taps

Single Flammed Mill *

Double Flammed Mill *

* These variations will invert portions of the sticking from the Basic Rhythm.

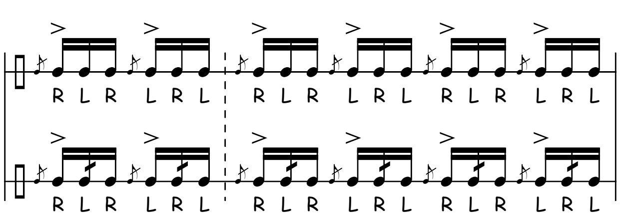


(original)

Inverted Flam Taps

Pata-Fla-Fla, RH Lead

Pata-Fla-Fla, LH Lead



Try adding flam-drags to the original,
then start this whole list of variations over again.

Also try using other rudiments
to replace either the two's or the three's.
